

ACTION: 2020 COUNCIL MEETING DATES

Recommendation

That the Kentucky Environmental Education Council meet on the following dates in 2020:

- May 13
- August 12 (currently scheduled for July 23-24)
- November 18

Explanation

- The summer meeting, coming at the transition between fiscal years, typically involves a more detailed discussion of council priorities and budget. Moving the date to August would give KEEC staff more time to prepare budget documents involving the fiscal year closeout.
- The summer meeting has typically been held across two days, but there has been some discussion about holding a longer meeting on one day to ease travel arrangements.
- If the dates are not feasible for council members, we will discuss alternative dates.
